### **VOCATIONAL/SENIOR LEVEL BALLET:**

From Intermediate Foundation to Advanced 2, minimum attendance of 2 Syllabus Ballet per week is required. To enter RAD Vocational exams, minimum of 3 Syllabus Ballet per week plus Open Class is required. Vocational students should attend our Contemporary and we highly recommend our Jazz and Pilates.

Vocational students do not necessarily take exams at the same time as their peers as per the Junior school. The average time spent in Vocational levels before an exam is 18 months, but this can range from 6 months to 2 + years depending on class and holiday school attendance, work ethic, natural talent and age and strength of student.

Attendance at **every** North Shore Dance Academy holiday school is highly recommended to reach the required standard for Vocational exams. NSDA Holiday School dates are listed on top of this schedule. Entry to exams is at the discretion of the principal. Students must be at the required standard to be successful in their exam.
